MULTI POSITIONABLE FANTRAY & FANTRAY

MULTI POSITION FANTRAY

The industries most technologically advanced modular cooling fan trays for 19" rack enclosures.

The modular design allows for complete position flexibility to meet changing cooling requirements, allowing the fan trays to focus on high heat generating locations. This design allows the standard single tray (3 fans) the most heat sensitive areas of the enclosure.

Features:

- Modular fan trays
- 115VAC & 230VAC
- 330 CFM per tray (3 max.)
- Fans UL/CSA approved
- Long life ball bearings
- 72" NEMA 5-15 power cord
- Low profile 1.75" height
- Easy installation
