

Electronic Alliance

12W Single Output A (Open Frame)

12W Single Output A (Open Frame)

Product feature:

- 150HW low power stay up
- Over current / over voltage protection adjustable
- Over temperature/short circuit / short voltage protection
- Universal AC input/full range
- Cold Start
- One year warranty
- Size: LWH 71mm x 44.5mm x 29mm

Specifications:	
AC input voltage:	90~264V AC
Input frequency:	47~63HZ
Input current:	0.25~0.4A at 110~220VAC
Inrush Current:	50A @ 220VAC 30A @ 110VAC
Leakage Current:	2mA
Hold-up Time:	20mS typ
Safety Standards:	UL1950 CSA 22.2 No.234 EN60950/TUV
EMI Standards:	FCCPart 15 CLASS 'B' EN55022 class B
Operating Temperature:	0~40°C
Storage Temperature:	-40~70°C
Operating humidity:	5% to 90% RH, non-condensing
Storage humidity:	5% to 90% RH, non-condensing
Ripple and noise:	150mV
Line regulation:	±1%
Load regulation:	±2%
Efficiency:	≥75%
MTBF:	100000 Hours per MIL-HDBK-217D
Weight:	0.05Kg
